Alcohol by volume (ABV): 42.3% vol.
Volume: 700 ml
Country of origin: Greece
Production: Avantes Distillery, Chalkida, Evia, Greece
for The Symi Lovers

Botanicals: Infused with 17 botanicals. Double distilled in copper stills using vapor infusion method.

Aroma: Bold juniper with pine notes, enriched by delicate floral hints of lilac. Complex herbal spices blend with a vibrant citrus profile led by lime.

Taste: Dry, clean and intense. Juniper dominates with pine notes, accompanied by fresh basil, light peppery spice and subtle floral nuances. Almost rounded mouthfeel. Smooth, slightly sweet yet balanced by a dry finish with resinous and spicy notes.

Aftertaste: Long and dry finish. Fresh basil and lemon verbena persist, with light pink pepper notes and a hint of licorice.

Overall profile: A classic London Dry style, enriched by a high concentration of botanicals and citrus giving it a Mediterranean character. Delicious. Perfect neat, extremely versatile in cocktails. Ideal in a Martini.
